Campground Guidelines

- Check-in is at 12 PM. Check-out is at 11 AM due to incoming reservations. RVs must be parked in the sites as assigned. **No “circling the wagons” is permitted.**
- Garbage should be in closed plastic bags and placed in the dumpster at the north end of the campground. Do not leave garbage out over night. There are bears in the area.
- Pets are welcome; however, **all pets must be leashed** and under the owners control at all times. Please do not leave your pets unattended, and please pick up the poop, as it is not up to other guests or the grounds crew to clean up after your pet. If you need bags to pick up waste, we keep plenty in the office.
- **Children must be supervised at all times.** Parents are responsible for their children’s safe conduct (including in the play area) and any injuries or damage that they incur or cause. Unsupervised children who cause disruption for other guests may be asked to leave the park along with their entire party.
- **Do not walk through occupied sites!** Please respect the privacy of other guests.
- **No smoking in the buildings.**
- **Absolutely no fireworks in the campground.**
- **All firewood must be purchased from a certified supplier such as Kwik Trip or Walmart.** All other wood is forbidden. It is prohibited by the Wisconsin DNR to transport firewood.
- **Do not burn trash or cans in the fire pits.** Fire pits are cleaned after every guest. A \$50 cleaning fee will be assessed if there are nails, screws, or sharps discovered in the fire pit. This has become a significant problem and no one wants a flat tire.
- **The speed limit in the park is 5 mph.** Please be aware of pedestrians and animals in the roadway.

- **Quiet hours are from 10 PM to 7 AM.** Cleanliness of the park is important to us. Sites are to be kept clean and orderly. Please leave restrooms as you would like to find them. If they are need of attention please notify staff.
- **Parking:** Only two vehicles are allowed per site. Trailers, boats, pontoons, etc must be parked in the trailer area. No washing of RVs or vehicles.

Management reserves the right to evict or refuse entry to any person who evidenced a disregard for the rules without a refund. Guests and visitors agree to use the campground at their own risk. The management and owners are not responsible for damage, injury, or loss to persons, pets, or property.
